

**SNOWPLOW OPERATORS RULES and REGULATIONS  
of ARROWHEAD AT VAIL ASSOCIATION and  
ARROWHEAD METROPOLITAN DISTRICT**

Whereas Arrowhead at Vail Association ("Arrowhead") under the responsibility of the Public Safety Department and Arrowhead Metropolitan District ("AHMD") pursuant to rules of the road must prevent problems resulting from methods and activities of snowplow operators within Arrowhead. The public interest is best served by requiring the licensing of persons, businesses or corporations who use vehicles or equipment to plow, remove, or strip snow or ice within Arrowhead.

**NOW THEREFORE, IT IS RESOLVED THAT THE FOLLOWING SNOWPLOW RULES, REGULATIONS AND PROVISIONS ARE HEREBY ADOPTED BY THE BOARD OF DIRECTORS OF THE ARROWHEAD AT VAIL ASSOCIATION AND ARROWHEAD METROPOLITAN DISTRICT:**

**I. PERMIT REQUIRED**

Any person, business or corporation that participates in the plowing, removal or stripping of snow or ice from private property anywhere within Arrowhead must first obtain a permit from Arrowhead Public Safety for such activity.

**II. PERMITS – REQUIREMENTS FOR APPLICATION**

- A. Application for such permits shall be on forms provided by Arrowhead Public Safety.
- B. The following information shall be provided by applicants for the permit required:
  - a. Name, home address, business address, state driver's license number and telephone number.
  - b. Make, model, serial number and state license plate number of any vehicle or machine to be used for snowplowing.
  - c. A complete list of the driveways, parking lots or properties which the applicant services.

**III. PERMIT – PERIOD OF VALIDITY**

All permits shall be valid for a period of one winter season which shall be defined as beginning on November 1<sup>st</sup> of each year and ending on May 31<sup>st</sup> of the succeeding year and shall not be valid for a subsequent year.

#### **IV. INSURANCE**

- A. Every person issued a permit shall be required to maintain the following types and amounts of insurance at all times: Employee's liability; Worker's Compensation, if required by state statute, public liability with minimum limits of not less than one hundred thousand dollars for any one person and any one accident, and public property damage with a minimum limit of not less than one hundred thousand dollars for any one accident.
- B. At the time the application for a license is made and before a permit can be issued, the applicant shall have its insurance company file with Arrowhead Public Safety a certificate of insurance stating that the insurance policies required by this resolution have been issued to the applicant, listing the minimum limits of each, effective policy numbers, the name of the company, the effective date of the policies and the expiration date.

#### **V. IDENTIFICATION NUMBER**

The permittee shall be issued a vehicle identification number provided by Arrowhead Public Safety for each snow removal vehicle or machine. The ID number shall be placed on a visible portion of the exterior of the vehicle.

#### **VI. SNOW REMOVAL OPERATIONS - REQUIREMENTS**

- A. Snow shall not be pushed, deposited or left on any public street, sidewalk, park, or greenbelt area unless previously approved by Arrowhead Public Safety. Such request and approval must be in writing.
- B. Snow shall not be deposited in such a way as to impede the vision of anyone driving a motor vehicle on a public or private street or right-of-way.
- C. Vehicles must have a flashing yellow light on the roof of the vehicle when engaged in plowing snow.

#### **VII. SUSPENSION OR REVOCATION OF PERMIT**

- A. In addition to any other penalty herein provided, the permit issued hereunder may be temporarily suspended or revoked by the Director of Village Operations or a designated representative for cause at any time. Such cause shall exist whenever any permittee fails or refuses to comply

with the provisions of this resolution which may now or hereafter be in force.

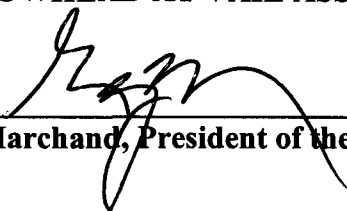

- B. In the event a permit is suspended or revoked, the permittee may, within three days of such suspension or revocation, request in writing, delivered to the Director of Village Operations, a hearing before a Board of Appeals consisting of three (3) individuals from the following groups, Arrowhead at Vail Association, Arrowhead Metropolitan District, and Arrowhead Public Safety, which hearing shall be held not sooner than three days from the request of the hearing. The permittee shall be given an opportunity to be heard at said hearing and to show cause why the permit should not be suspended or revoked. If, after such hearing, it is determined that the permittee has failed or refused to comply with the rules, regulations and provisions outlined above, without showing good cause, the permit shall either be suspended for a period not to exceed ninety days or revoked. Application for a new permit may not occur until a subsequent year.

If the permittee does not file an appeal within three (3) days of the suspension, the temporary suspension will become permanent.

- C. The Director of Village Operations or a designated representative may suspend any permit issued hereunder pending the outcome of the hearing to be held pursuant to paragraph VII.B.
- D. Administrative remedies of the permittee are deemed to not be exhausted unless the decision of revocation or suspension is first appealed pursuant to paragraph VII.B.
